On arrival to the hotel we were both bowled over when we saw how beautiful the function room looked and the Bridal Suite was absolutely amazing. The thought and effort put in by everyone on the day blew us away and a very special thank-you to our wedding co-ordinator Sinead Gillen for helping us to create our dream wedding – a real pleasure to work with

Brian & Lynda

The Carrigaline Court Hotel has a great reputation for weddings, exceptional food and friendly staff. We were really impressed with the reception venue and the excellent wedding package provided. Their wedding co-ordinator Sinead, was very professional and lovely to deal with and that made it a very easy decision in the end when selecting our venue

Ingrid & Donal

The quality & presentation of the food was absolutely beautiful. Lots of our guests commented afterwards and the waitress serving the Top Table called us all by our names throughout the meal which we thought was a really personal touch

Fiona & Gavin

We would like to thank you so much for a fantastic wedding day – the food and service were second to none. Patrick who was the manager on duty on the day made everything run so smoothly – he was fantastic and couldn't do enough for us. You have a fantastic team at the Carrigaline Court Hotel and a special thank you to our wedding co-ordinator Sinead Gillen for everything she did helping us along the way and really putting us at ease throughout.

Lisa & Declan

We were blown away with the treatment we received from the staff at the hotel from the management, bar staff, waiting staff and especially the kitchen. Everyone that contributed to us having the perfect day are a real credit to the hotel. The compliments we are still getting from our guests about the wedding are testament to that. Please pass on our thanks to all the staff for our unforgettable day
